Three Root Causes:

- **Channel-Audience Mismatch**
- **Seasonal Budget Misalignment**
- **Team Performance Gap**

What Happens If We Change Nothing

- If YouTube × Seniors 60+ campaigns continue → \$76 per conversion, ongoing
- If February and December budget stays the same → ~13,000 missed conversions per year
- Team performance gap stays at 18% → systemic drag on every campaign

Five Moves That Changes The Game

- Shift 20–30% of YouTube budget to TikTok and Email
- Stop YouTube × Seniors 60+ immediately
- Front-load Q2 and Q3 in the media calendar
- Scale Instagram × Adults 40–60 and Email × Male 18–40
- Document and share top performer playbooks
